

# The Buzz About Beekeeping on Small Farms

Wednesday, April 17, 2024 · 10 am–noon · **FREE**  
Warrenton, North Carolina · *Space is limited to 12 participants.*

Join us for the opportunity to see the inner workings of beehives. This workshop will give you a basic understanding of bee anatomy, pollination, queen management, how to start a hive, equipment needed, and the importance of bees to agriculture. Participants should avoid wearing perfume, cologne, or scented lotions for safety. Also, please wear light-colored clothing and closed-toe shoes.
