Flower Field Walk and Demonstration Series – Part I

APRIL 21 • 9AM - 10AM EASTERN TIME

Susan Cheek will take a one hour walk through the flower field at Randolph Farm in the SFOP plot. This is an opportunity for the general public to see some of what has been going on at the farm during the crisis. Farmers and gardeners alike will have a chance to see a demonstration to include drip irrigation installation, direct seeding sunflowers, and inspecting and harvesting of flowers in season at the time. This project gives everyone a look into the world of growing cut flowers for profit or pleasure.
