

Grazing and Herd Management Workshop

Wednesday, June 12, 2024 · 10 am–noon
VSU Randolph Farm Pavilion, 4415 River Rd, Petersburg, VA
FREE · Space is limited to 40 participants.

J.B. Daniels from USDA–NRCS will share grazing practices that provide higher-quality animal forage. Farmers and Ranchers will learn about alternative forages that have potential during drought, intensive grazing, herd health, increasing weight gains, the potential reduction in needed hay during the off-season, and USDA assistance opportunities. NRCS has cost-share practices available to participants, and Mr. Daniels will explain how to enroll.
